

UNIVERSITY OF HAWAII AT MANOA

PHYS 170, General Physics I, Fall 2020

Instructor: Prof. Klaus Sattler, WAT 306, Tel. 956-8941, sattler@hawaii.edu

Location, Time: Online Class, (replaces regular class time 10:30-11:20 MTW), and online recitations

Textbook: University Physics, by Young and Freedman, 15th edition, Chapters 1-16.

Class Structure: You will receive weekly powerpoint slides and videos which will guide you through the lecture. You will receive the slides Monday morning every week. In addition, you will receive guidance by email.

Homework: Homework assignments will be given Monday morning every week and should be returned on Friday by 4 pm. You will write the solutions to the questions on paper and take a picture or scan, which you submit. Some of the returned homework will individually be graded but for all you will get credit for your effort. Also, you may receive suggestions on improving your returns.

Tests: Test 1: Monday Sept 28 (chapters 1-5)
Test 2: Monday Nov 2 (chapters 6-10)
Test 3: Wednesday Dec 9 (chapters 11-16)

Class I.D.: Every student will be given a class identification number. Please place it on the examination and homework sheets.

The Syllabus may be changed by the professor at any time (will be announced).
