Production Documentation for:

Project Name: HMB
Board Name: SCROD_TO_RJ45_BOARD
IDL num: IDL_18_020
Revision: A
Variant: [No Variations]

Designer: Khanh Le
Drawn by: Khanh Le
Approved by: Gary S. Varner
Notes:
- If internal FPGA diff termination is not available install 100ohm resistors

2x4 right angle RJ45 connector

Verticle RJ45 connector

Power reg connector

Notes:
- Back up Regulators for SCROD, Do not install unless SCROD Regulators are disables

Input 25V max

- Install 100ohm resisters
