IRRX

- TSMC predicts August 8th as ship date to MOSIS
- should get ~1675 packaged ASICs by the end of August
production PCBs

• SCROD revB:
  • went out for fabrication last week
  • shipped this morning; should be in Hawaii tomorrow
  • waiting on a parts order; assembly will begin early next week

• carrier revE:
  • added one amplifier chain and one ASIC to schematic
  • refined LTspice simulation of amplifier chain
